## Legacy: Live it to Leave it

Today, we are honoured to welcome Pastor Oskar Sigurdsson of Restore Church (Tauranga), who brings an important and timely message. A message that invites us to move beyond routine faith and seek true alignment.

Let us lean in, open our hearts, and get ready to receive what God wants to speak into our lives today.

John 10:10 says:

*"The thief comes only to steal and kill and destroy;  
I have come that they may have life,  
and have it to the full."* (NIV)

It is imperative that we align ourselves with God's purpose for our lives if we are to impact the world around us. Jesus came to show us how to do that. He is the perfect human who lived life as God intended.

God will set up a situation for a revelation so we can align our lives with His purpose. The enemy's mission is to rob us of the revelation of who we are in Christ. When you align and adjust your life to God's purpose, you become a threat to the kingdom of darkness.

God bless!

Oskar Sigurdsson

*“ Therefore, my dear friends, as you have always obeyed—not only in my presence, but now much more in my absence—continue to work out your salvation with fear and trembling, for it is God who works in you to will and to act in order to fulfill his good purpose.”

**It is God—through His Spirit—who gives us both the desire and the strength to live it out. And this is how a legacy is built, not by doing something big, but by faithfully responding to God each day.**

**Lighthouse, let us live our faith today. And we will leave a legacy that points others to Jesus. Amen.**
